

Corporate Graphics

In this lesson, you'll learn how to do the following:

- Changing the size of the Stage
- Creating a gradient background color
- Importing Photographs
- Using Filters
- Using the new Motion Presets
- Importing Photoshop Files

Animated Business Card (10pts)

Create an animated business card that includes your picture, your schools address, phone number and fax. Your photograph should include a drop shadow filter. The text should be easy to read and contrast with the background. The background should be a linear gradient. Add a motion preset to either your name or your picture.

Turn it in: Turn in the .swf file to the drop box. Make sure to start the file name with your last name (dockery_card.swf).
