Dear Freshman Parents/Guardians,

The Associated Student Body welcomes you to Mount Si High School! We are very proud of our activities program. We offer over 40 clubs and sponsor many events for students. We believe there is something for everybody at MSHS. Statistics, overwhelmingly, show that students involved in school activities or athletics perform at a much higher level in the classroom. Please encourage your student to look for opportunities that will involve them in the school and our learning community.

The Leadership Team has been busy organizing the annual **Freshman Lock-in**. The purpose of this event is to **unite** a class of students who have attended three different middle schools. The activity is designed to introduce students to classmates, upperclassmen and student government leaders. We will be holding structured activities in the auditorium, commons and gymnasium. We will also hold meetings for prospective class officers and to organize **class of 2014** homecoming activities.

The date of Freshman Lock – in is **Friday, September 10, 2010**. The hours are approximately **9:00pm (right after home football game) – 2:00am**. Students will not be allowed to leave the school building until activities are complete at 2:00am. All school rules will apply and will be enforced. School staff and parents will serve as chaperones. Please contact Charlie Kinnune at 425 831-4246 or email at kinnunejrc@svsd410.org to volunteer your time.

The cost of this event is **\$25.00**. With that, each student receives a Class of 2014 t-shirt, snacks, pizza and drinks. Students must turn in a completed permission slip (on back). The fee and permission slip may be turned in at the finance window on **Wildcat Days** or the first week of school.

Parents please encourage your student to attend. It will be a fun start to great career at Mount Si High School. Please contact Charlie Kinnune with questions, comments or concerns at the information above.

Sincerely,

Charlie Kinnune
