

Mount Si's annual ASB Auction is quickly approaching! The theme for this year is "Luau in the Valley". The Auction will be held on March 19, 2011, at the Si View Community Center. Tickets are priced at \$25 and \$75. Tickets and Procurement Forms are available in the office and online at mountsihighschool.com. All money as well as the ticket forms should be turned into the main office at the high school. If you have any questions, please contact the ASB advisor, Charlie Kinnune, at 425-831-4246. Remember, the Auction is a fundraiser for all sports and clubs at Mount Si. It is a student planned and student-ran event for the purpose of giving students the opportunity to experience event-planning.
