All student fees and fines must be paid during the school year in which they are incurred. Students may not participate in any school activity until all fines from previous years have been paid. This includes participating in school-sponsored athletics and purchasing tickets for school-sponsored dances. Books reported lost cannot be returned for credit against a fine beyond the school year in which they were checked out. Parents will be notified of past-due fines. The district is required to make every effort to collect delinquent fees and fines. Consequently, fees and fines that remain unpaid after the end of the school year may be turned over to an attorney and/or collection agency. Students can pay course fees and fines at the finance window before school and during all 3 lunches.

**SENIORS MUST have all fees/fines paid one week before graduation. Seniors with unpaid fees/fines will not be allowed to participate in the graduation ceremony.**

**ALL FEES /COSTS SUBJECT TO CHANGE**
