

Senior Recognition Ads

Make a lasting memory with yearbook grad ads!

Senior year is a milestone for teenagers—and their parents. It is the culmination of 13 years of schooling and countless hours of hard work, patience and struggle. As your student walks toward graduation, a recognition ad in the yearbook is a great way to acknowledge his or her success, and your pride. In the future, seeing your message will bring a smile and memories of your love and support.

It's easy to create a recognition ad. Just send us a copy of your favorite photo—past or present—and compose your own original message. Our talented designers will combine them into a polished finished product. We can even keep the ad a secret until the yearbook is distributed.

Grad ads start at just \$45! This is truly an economical way to send your student a lasting message of your pride, love and congratulations.

To reserve a space for your special recognition, please respond by Dec. 19, 2008. If you have any questions, please feel free to contact us at 425-831-8151.

Sincerely, The Tenas Coma yearbook Staff

- Tie your message to the photo

Include a special quote

- Popular sayings, song lyrics and Bible verses all work well.
